

Landline Plus Datasheet

Replace customers' landlines without lifting a finger!

One simple solution with bundled minutes,
for the same price as a coffee...

Migrate your Landline to VoIP and save over ***75%**.

What's included?

**500 mins mobile or
Geo bundle**

Voicemail

**1 single number
(new or ported in)**

**12-month contract
- then 30 days
rolling**

It's so simple to order...

All you have to do is log onto our portal
and choose your hardware.

We'll configure the hardware, port the
number if necessary and send it to the
customer... that's it!

Have to use VU-supplied hardware as the
config is automatically applied/updated.
